

May 4–6, 2024 | Lobby Day: May 7, 2024 | Washington, DC

JOIN fellow survivors, advocates, and members of the breast cancer community who are lending their voice to enhance breast cancer research, transform public policy, and ensure affordable, quality healthcare for all. Exciting plenaries and skill-building workshops will focus on the most critical areas of breast cancer research, science, and public policy. Attendees will have opportunities to network with other breast cancer survivors and advocates and connect with leading researchers in the field.

Registration: \$350
New Leader Discount: \$300

Bring a new advocate leader with you to the Summit, and you both receive \$50 off your registration fee.
