

End of 118th Congress – House Target List & Assignments

As of 10/21/2024

The following House members are our targets for this period. They were chosen either because they cosponsored in the 117th Congress, are on the Ways & Means Committee, previously cosponsored the ALS bill, indicated in earlier meetings a possibility to cosponsor, or are freshmen. As of Aug 14, we have also added new targets who have cosponsored HR 2407, a multi-cancer screening bill, but not yet HR 549.
