Thanks for a successful event! Without your help and unwavering dedication, Les Girls would not have been possible. On behalf of the hundreds of organizations and tens of thousands of individuals who are members of NBCC,

*Our Gratitude & Appreciation!*

Remembering Our Friend Arleen Sorkin

Arleen Sorkin  
October 14, 1955 – August 24, 2023

Without Arleen Sorkin, there would be no Les Girls. A part of NBCC since our early days, Arleen made it *her* mission to help us reach *our* mission to end breast cancer.

Arleen's heart was even bigger than her considerable talent. She was generous—she always did what she promised, and she promised a great deal. She was fearless and would call, write, email, and happily accost anyone at any time if she thought it would help the cause. Her compassion was unmatched; when we lost an NBCC advocate, she was always among the first to call.

As a creator, occasional performer, and co-chair of Les Girls, Arleen worked tirelessly to make this event a success and helped create an unbelievable network for NBCC in southern California.

We deeply miss Arleen's friendship, creativity, and humor, and there continues to be significantly less positive energy in the world without her in it. But we are beyond grateful she shared that energy with us for so many years.

Thank you for everything, Arleen.

The National Breast Cancer Coalition

*Arleen, my friend, I miss you so much—your insight, innate goodness, and strength. And no one makes me laugh like you did. Knowing you was one of the highlights of my life. I love you.*
